

Year 3 Ancient Britain

Words I need to know for this topic:		By the end of this topic I should know:
1. Ancient 2. BCE 3. Archaeology 4. Prehistoric 5. Tools 6. Stone Age 7. Bronze Age 8. Iron Age 9. Skara Brae 10. Hill fort	Belonging to the very distant past. Before the Common Era. Studying things from the past and piecing them together. Before written records. Devices, usually held in the hand, to carry out a particular job. 8700 BCE – 2000 BCE Period when stone was widely used to make tools. 2000 BCE – 800 BCE Period when a metal alloy was used to make tools. 700 BCE – 100 AD Period when iron was used to make tools. A stone built settlement, located on Orkney, that is still standing. Built on hilltops and surrounded by mounds or ditches to protect the people who lived there.	The changes in technology from the Stone Age to the Iron Age What can be found at Skara Brae At least 5 prehistoric achievements How Stonehenge was constructed and say why I think it was built
		By the end of this topic I should be able to:
		Know the difference between primary and secondary sources Order at least 3 items chronologically Describe historical events using the past tense Talk about historical events and compare them to the present Use an atlas to identify the four countries of the British Isles Locate key historical sites in the British Isles Experiment with marks and lines using a range of implements Communicate effectively as part of a team Ask questions to check my understanding
 The image shows two book covers. On the left is 'Stone Age Boy' by Satoshi Kitamura, featuring a boy and a girl in a prehistoric landscape. On the right is 'The Stolen Spear' by Saviour Pirotta, featuring a boy and a girl in a prehistoric setting with a large spear.		Anything else interesting I have learned:
