

Year 4 To Russia With Love

Words I need to know for this topic:		By the end of this topic I should know:
Rural	Relating to, or characteristic of the country, country life, or country people.	Where Russia is and some of its features (population, capital city, culture) Some of the human and physical features of Russia The impact of climate on an environment What the climate is like in Russia The problems of living in urban and rural Russia How to compare the climates of Italy, Russia and the UK The style of the work of Stravinsky
Urban	Relating to a city or town.	
Climate	The general weather conditions of a region, such as temperature, humidity, rainfall sunshine, cloudiness and winds, throughout the year.	
Economic activity	Activities carried out by a country that explains the production, distribution and use of income, wealth and commodities.	
Equator	The great circle of the earth that is equal distance from the north pole and the south pole.	
Population	The total number of people inhabiting a country, city, or any district or area.	By the end of this topic I should be able to: Make comparisons between Moscow and Manchester Use an atlas with confidence (identifying population, topography, climate, cities.) State the difference between climate and weather Draw a climate graph Map significant features of a country Identify the character of a piece of music Describe and identify the different purposes of music Show how dynamics can provide contrast Experiment with a range of collage techniques to create images Explore the work of a range of great artists, architects and designers Understand how to use a range of techniques such as kneading and baking Use language of and mix primary and secondary colours and use tints and shades
Regions	An administrative division of a city or territory.	
Topography	The arrangement of the natural and artificial physical features of an area.	
Border	A line separating two countries or other areas.	
		
		Anything else interesting I have learned:
