Dear Parent/Guardian

We are delighted to announce that we are now in a position to offer the facility for parents to make payments online for school activities, such as school dinners, school trips, music fees, etc, from Monday 6th June.

There is a Parent User Guide on the school's website explaining step by step how this system works.

To facilitate this, we need you to complete the attached form, with your current mobile number and an email address (please print). For this system to be working by Monday 6th June we need the form returning tomorrow.

We will send you an email or a text message to start the process. This message will contain details of:

- the web address
- individual password that you will need to log in.

We hope our new Schoolmoney.co.uk facility will allow for both parties to experience a more streamlined, cost-effective payment collection system, in as secure and safe environment.

From time to time you will receive a text message from the school inviting you to access a website as an option to make a payment for an activity. We would appreciate your support in this matter.

Yours sincerely

Miss V Payne
